

CSLA CD 14 POSTING SURVEY

On December 19, 2018 WPD Environmental Compliance Inspector M. Gunby and M. Tran conducted homeless encampment surveys and posted areas for clean-up starting on Friday, December 21, 2018. The postings began at 1300 hours and ended at approximately 1330 hours. Additional photographs taken are not included in this report.

Approximately 5 hours of total cleanup time should be allowed for 12/21/18, and the following resources will be required at the minimum: One WPD team, one LASAN Solids team, one Clean Harbors Environmental Services team and a large trash truck.
